DESCRIPTION OF BID: Pavement Improvements

The City of Florence will accept sealed bids for the following general scope of work for completion prior to Wednesday, June 10th 2026. No bid bond is required. 100% performance and payment bonds are required.

West Front Street project will consist of placing a 3-inch compacted mat of hot bituminous pavement. The work will also include the removal and replacement of 8-inch curb and gutter, along with the installation of six driveway cuts and one pedestrian (walking) cut. All driveway and pedestrian cuts must be constructed to match existing driveway grades and conditions. Additionally, any pavement markings disturbed or removed during construction will be replaced.

For Sunnyside, the project will include placing a leveling course on approved sections. The shoulder and roadway will be graded as necessary to accommodate a 2-inch compacted mat of hot bituminous pavement. Project area is to feather to match existing asphalt on south side.

Any questions concerning bids shall be directed to the City Clerk at email address cortlye.huppe@florencecolorado.org.
